REMARKS

Following submission of the Response dated March 30, 2004, Applicants noticed that added/ new claims 44 and 45 were identical, although it was intended that claim 44 depend from claim 21. It is respectfully submitted that the subject application is in a condition for allowance. Early and favorable action is requested.

Applicants believe that additional fees are not required for consideration of the within Supplemental Amendment. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, the Commissioner is hereby authorized and requested to charge Deposit Account No. 04-1105.

Respectfully submitted,
